GAME BIRD SERIES

Game Bird Red is a mellow red blend with notes of ripe cherry and blackberry and an essence of herbs. It's a nicely layered red wine with just a touch of sweetness

Blend: Marechal Foch and Vidal Blanc with a touch of Cabernet Franc.

Residual Sugar: 1.9%

Food pairings: Game Bird Red is a perfect pairing for any pasta dish, especially a traditional homemade lasagna. Tomato-basil and fresh mozzarella pizzas really bring out the soft berry qualities from the Foch and Cabernet Franc blend. Also delightful for an afternoon BBQ, especially with beer

Game Bird White offers a bright citrus nose with rich fruit-driven roundness followed by soft, balanced acidity.

Blend: Cayuga and Seyval Blanc.

Residual Sugar: 3.1%

Food pairings: Game Bird White is delicious with spicy garlic-orange glaze over chicken wings, or any spicy curry sauce with vegetables. This wine also makes a refreshing summer sipper while sitting on a dock or deck enjoying a casual afternoon.

Game Bird Blush has a generous sweetness that enhances the fruitiness of the wine with notes of cranberry and sweet grapefruit. The gentle acidity lingers through a soft finish.

Blend: Cayuga, Seyval Blanc, and Marechal Foch

Residual sugar: 4.6%

Food pairings: This delicate wine is also a great addition to any picnic basket or Sunday brunch. Game Bird Blush is a perfect match with turkey, pork, or slightly spicy Asian foods.
