**FOR IMMEDIATE RELEASE**

**Heron Hill Winery in Hammondsport Hosts Community Farmers Market on Wednesdays**

July 3, 2014 (Hammondsport, NY) – Heron Hill Winery continues to strengthen the connection between wine and food by hosting a farmers market on its grounds overlooking the west side Keuka Lake in Hammondsport, NY. The Heron Hill Community Farmers Market takes place every Wednesday from 4:00 pm to 7:00pm.

On Wednesday, July 9, Heron Hill Winery will celebrate the farmers market with a ribbon cutting ceremony organized by the Hammondsport Chamber of Commerce. Everyone is welcome to attend and the event dovetails with Happy Hour at the Blue Heron Café at Heron Hill Winery featuring live music on the terrace.

"We are excited to come together with other farmers to promote quality local food. It's fitting to have a market at Heron Hill, as we feel that local produce should be an integral part of the Keuka Lake Wine Trail experience," says Peter Sutera of Oak & Osage Farm in Hammondsport. Oak & Osage Farm are among the first area farms and producers to commit to the market and they offer multiple varieties of kale and greens. Other available products include cut flowers, local meats, seasonal produce, and small batch jams.

Heron Hill has been committed to excellence in winemaking since 1977. Heron Hill Winery was chosen as one of the ten most spectacular tasting rooms in the world by *Travel + Leisure* magazine! In addition to the magnificent vaulted Tasting Hall and Winery overlooking vineyards on Keuka Lake, Heron Hill also has tasting rooms on west side of Seneca Lake, and on Canandaigua Lake in Bristol.
