### WINE CHARACTERISTICS

Characteristically Riesling aromas of petrol and flint with delicate floral notes showing hints of Jasmine and Chamomile. This wine then reveals white fruit flavors like white peach and pear, with hints of sweet grapefruit. It's original balance between sweetness and acidity make it ideal for food pairings.

### FOOD PAIRINGS

This wine is a perfect match with raw oysters. Enjoy with lemon-roasted chicken, escargots in a butter and herb sauce, or paella. It would also complement Pad Thai with shrimp.
