WINE CHARACTERISTICS

Fresh lemon aromas are immediately present, then delicate floral notes in the background. This plot has a mineral laden, rocky soil. The palate is pleasantly round with flavors of melon, banana, fig and meringue. Zesty lime notes linger on the finish. Nature-friendly viticulture practices enhance this wine's personality, all grapes were hand-harvested.

FOOD PAIRINGS

This bright unoaked Chardonnay complements baked Tilapia en Papillote, lemon chicken, or delicately seasoned grilled shrimp. For a cheese pairing, try with a mild Manchego.
