WINE CHARACTERISTICS

Tropical fruit and passion fruit explode on the palate along with concentrated flavors of candied papaya, dried peaches, and a hint of quince. This very expressive wine has exotic aromas and a balanced mouthfeel.

FOOD PAIRINGS

Complement the complexity of this dessert wine with a simple vanilla custard or classic cheesecake. It would also pair wonderfully with poached pears or Crêpes Suzette.

AWARDS

Gold medal - Finger Lakes International Wine Competition

90 points - Wine & Spirits
