Release date:

Cases: 201

Vineyard Notes

Appellation: Finger Lakes

Chardonnay grapes sourced from our estate vineyards on the west side of Canandaigua Lake

Fermentation/Winemaking

fermented in stainless steel tanks

Tasting Notes

A bright golden straw colored wine with powerful aromatics of pineapple, citrus, lemon grass and stones. The palate is bracing, but balances with medium to full body.

Food Pairing Suggestions

Enjoy with a simple roasted chicken and side salad or pair as an aperitif with some local rainbow trout in a citrus beurre blanc alongside roasted root vegetables.

Dedicated to excellence in winemaking in the Finger Lakes region since 1977

Sustainably Produced and Bottled with Solar Energy

We are in the midst of a green revolution. To owner John Ingle, going green means giving respect. Respect for the land by farming sustainably. Most importantly it means respect for the consumer by giving them our very best product and by educating them about Heron Hill's long-term goals of environmental balance.
