Appellation: Finger Lakes

Production: 235 cases

WINE CHARACTERISTICS

The grapes were soaked for several hours on the skins to extract maximum aroma and flavor. Elegant and bright with undertones of soft floral that follow into a spicy and floral bouquet.

This wine is nicely balanced by a soft acidity.

FOOD PAIRINGS

Enjoy this wine with Asian-inspired foods like stir-fry noodles, mussels, or vegetables & brown rice.

For a cheese pairing, try with horseradish cheddar.
