DEDICATED TO EXCELLENCE IN WINEMAKING SINCE 1977

For over 40 years, owners John and Josephine Ingle have been practicing sustainability as a way of life. To them it's about giving respect. Respect for the land by farming sustainably and respect for the product by making it natural, fresh and healthful. Most importantly it means respect for the consumer by giving them the best and educating them about our long term goals of environmental balance. Today, Heron Hill offers over 20 different varieties of wine; including crisp and light Rieslings, aromatic dry Chardonnays, complex Pinot Noirs, elegant Cabernet Francs, and our legendary Eclipse series.

INGLE VINEYARD & KEUKA LAKE ESTATE

In 1972, John & Josephine Ingle first planted grapevines overlooking the west side of Canandaigua Lake, known as Ingle Vineyard. Varieties grown include Riesling, Chardonnay, Cab Franc, and Pinot Noir. Today Heron Hill cultivates its grapes from three different vineyard sites encompassing a total of 43 acres. Heron Hill's vineyards are sustainably farmed with nature-friendly viticulture practices. Pride and passion and a commitment to quality are evident throughout every aspect of making, serving, and selling Heron Hill Wines.
